Dear Robert Murray,

You have a choice. As the landlord of ICE's facility at 1000 District Ave, you bear ethical responsibility for what happens in your building. Right now, your tenant is violating both the law and our community's values—holding people in inhumane conditions and obstructing the Town's efforts to ensure safety and zoning compliance.

You have the power to act. ICE has broken the law in a building you own; commit not to renew their lease. Help pressure the state to facilitate Town inspections. By speaking out against abuse and standing with your community, you can help protect Burlington's reputation as a safe, welcoming place to live and work.

Silence helps no one. Leadership means taking a stand. We're asking you to do what's right for the people in your building, and for the town of Burlington.

Sincerely,

BURLINGTON, MA
