Re: Minor Engineering Change, 10 New England Executive Park, Burlington, Massachusetts

Dear Tony:

Please be advised that this office and the undersigned represents Ten, LLC and Robert W. Murray, Manager (hereinafter, the "Applicant") with respect to the requested Minor Engineering Change to allow certain changes to the site plan for the reuse of the existing building at 10 New England Executive Park. Said property is located partially within the General Industrial (IG) and High Rise Industrial (IH) Districts.

The Applicant has proposed a series of minor site alterations which will enhance the appearance of the facility as well as providing a more functional space for the proposed tenant. The site alterations include the installation of a new entrance and a 24' x 24' carport, the construction of a gated chain link fence, the relocation of two handicapped parking spaces, the installation of two flag poles and cement planters, the construction of a cement pad to accommodate a propane generator, the enclosure of the dumpster location and a modification to the record site plan to reflect the proposed number of parking spaces and current site conditions.

We have enclosed following items in connection with the Minor Engineering Change Application for your review:

1. Original Minor Engineering Change Application;
2. Six (6) copies of the amended Site Plan; and

D. Anthony Fields

3. Check in the amount of \$350.00 for the filing fee.

We would respectfully request that this matter be placed on the Planning Board's next available agenda.

In the interim, if you have any questions on this matter please feel free to contact me directly

Very truly yours,

Mark T. Vaughan
