

# Initial Construction Control Document

To be submitted with the building permit application by a  
**Registered Design Professional**  
for work per the 9<sup>th</sup> edition of the  
Massachusetts State Building Code, 780 CMR, Section 107

Project Title: Employee restroom remodel

Date: 12/29/21

Property Address: 1000 District Ave, Burlington, MA

Project: Check (x) one or both as applicable:      New construction:      Existing Construction: X

Project description: Remodel of employee restroom. Includes replacement of all fixtures and finishes. There is no change in square footage, occupant load or means of egress. New fixtures will be tied into existing water and sanitary lines. Lights will be replaced in kind.

I Joseph A. DeLuca, MA Registration Number: 20068 Expiration date: 8/31/22, am a *registered design professional*, and hereby certify that I have prepared or directly supervised the preparation of all design plans, computations and specifications concerning<sup>1</sup>:

Architectural:                      Structural:                      Mechanical:  
Fire Protection:                      Electrical:                      Other: Entire project X

for the above named project and that to the best of my knowledge, information, and belief such plans, computations and specifications meet the applicable provisions of the Massachusetts State Building Code, (780 CMR), and accepted engineering practices for the proposed project. I understand and agree that I (or my designee) shall perform the necessary professional services and be present on the construction site on a regular and periodic basis to:

1. Review, for conformance to this code and the design concept, shop drawings, samples and other submittals by the contractor in accordance with the requirements of the construction documents.
2. Perform the duties for registered design professionals in 780 CMR Chapter 17, as applicable.
3. Be present at intervals appropriate to the stage of construction to become generally familiar with the progress and quality of the work and to determine if the work is being performed in a manner consistent with the approved construction documents and this code.

Nothing in this document relieves the contractor of its responsibilities regarding the provision of 780 CMR 107. When required by the building official, I shall submit field/progress reports (see item 3.) together with pertinent comments, in a form acceptable to the building official. Upon completion of the work, I shall submit to the building official a 'Final Construction Control Document'.
