Tune:

Intro to Letterbomb — Green Day

Nobody likes you

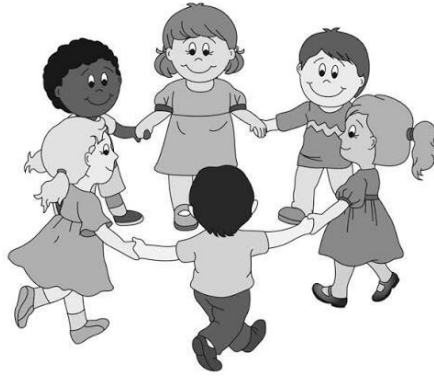

Everyone hates you, They're

all out without you

Having fun

Tune:

Ring Around the Rosie

Let's ignore due process, It's

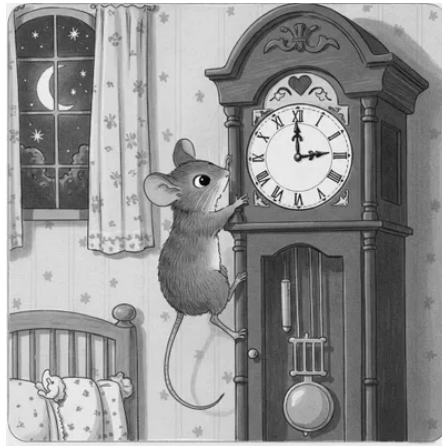

so much fun to suppress

Ashes, ashes, Dem-

-ocracy falls

Tune:

Hickory Dickory Dock

B C D C B A B

Hickory dickory dock, And

3 B D C A B B

ICE ran up the clock, The

5 B B D D C C E

clock struck one, And down they run

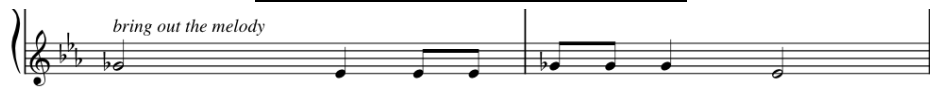

7 D E D C B A G

Hickory dickory dock

Tune:

One, Two, Freddy's Coming for You

One, two, the courts are coming for you

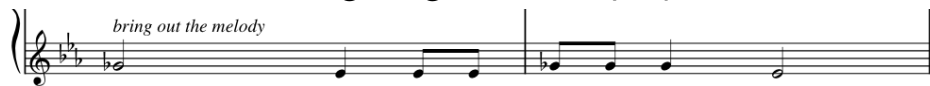

Three, four, better lock your door

Five, six, grab your crucifix

Seven, eight, gonna stay up late

Nine, ten, never sleep again

Tune:

Lavender's Blue

Lavender's blue, dilly, dilly, lavender's green

We have no king, dilly, dilly, nor any queen

Who told you so, dilly, dilly, who told you so?

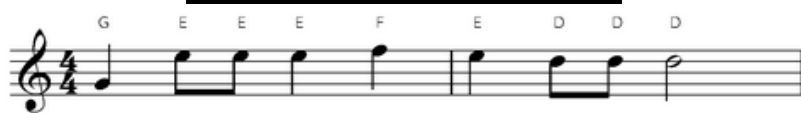

'Twas my own heart, dilly, dilly, that told me so

Tune:

Hush Little Baby

Hush little baby, don't say a word

There's no due process and you won't be heard, First

you help them take our rights away

Then they come for yours the very next day

And once your rights are gone for good

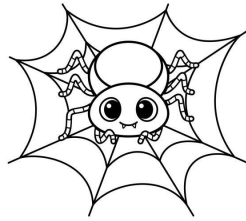

You'll regret not fighting like we wish you would

So lay down your arms and join our song

And we'll set right all that has gone wrong

Tune:

Itsy Bitsy Spider

Itsy Bitsy Spider climbed up the garden spout

Down came the rain and washed the spider out

Out came the sunshine and dried up all the rain, and the Itsy
Bitsy Spider was

Never seen again
