BURLINGTON ICE FACILITY

**1000 DISTRICT AVE.
BURLINGTON, MA**

Detainees, lawyers, and congresspeople who have visited the building confirm reports of overcrowding and poor treatment. [3]

Ongoing:

Detainees first report being held for long stretches without beds, showers or meals, including teenager Marcelo de Gomez, held for six days and given crackers for meals. [2]

May, 2025:

DHS promises the Town of Burlington that no one will be held in this facility for more than 1-2hrs, with no overnights. Facility opens. [1]

Robert Murray leases the building to ICE. 2007:

QUICK HISTORY

WHAT IS HAPPENING?

The Burlington ICE facility is the regional ICE headquarters for all of New England. ICE has turned this unassuming office building into an illegal prison.

Every detainee in New England is put through this repurposed office building, sometimes kept for days or weeks, and they are not provided with basics like beds, showers, medical care, or meals.
