Aaron Reeves: "When curriculums kind of deviate from just keeping, let's talk about math... do we need agendas like the LGBT and, or even, you know, if you were to flip that, like Christian ideologies or Islamic ideologies or, you know, things that we use for examples in these curriculums."

Hillary Kleck: "I truly believe in the validity of using good data to move this forward."

Jeremy Brooks: "It needs to be a community driven curriculum."

Katherine Bond: "Whatever decisions that we make as a school committee have to be what supports all of our students."

On the new curriculum:
